Whether your concerns are: urban sprawl, lack of jobs in Pickering, poor public transit in Durham, York Region's sewage flowing through Pickering, affordable recreation for children, environmental protection for farmland, an international airport, Seaton development, senior's issues or the ridiculous property taxes -- **Your VOICE** needs to be heard loud and clear.

The city of Pickering has great potential to be an even better community, but **you must vote** to ensure there will be a change for the better.
